MEDIA ALERT

Idaho Meth Project Partners with the Thunder Over Nampa Air Show

NAMPA, Idaho—June 2, 2008—The Thunder Over Nampa Air Show will kick off on June 14, 2008 in partnership with the Idaho Meth Project. All revenues from the Air Show will support the Idaho Meth Project, a statewide prevention and public awareness campaign designed to reduce the prevalence of first-time methamphetamine use in Idaho. The Thunder Over Nampa Air Show is a family-friendly event that showcases the spirit of community within the City of Nampa. As a result of the partnership with the Idaho Meth Project, the event will also serve as an opportunity to raise the level of awareness about the dangers of meth.

- WHO:** Greg Poe – Fagen MX-2

10:00 a.m. – 4:00 p.m.
Flying begins at 12:00 p.m.
- WHERE:** Nampa Municipal Airport (116 Municipal Drive)
Note: Off-site park & ride shuttles will be available both days at the Idaho Center parking lot
- COST:** Suggested donation of \$5 per person at the gate

Attention News Editors: Aerobatic pilot Greg Poe will be offering advance rides to members of the media during the weeks of June 2nd and 9th to help publicize the event. Reporters can fly in the two-seat MX-2 which has a surround view through the cockpit canopy. The onboard four-camera video system records the flight from various locations around the airplane. Photographers can fly beside the MX-2 in the Bonanza with the doors off for the optimum photography advantage. Please contact Megan Ronk at (208) 331-2060 to schedule a ride with Mr. Poe.

About the Idaho Meth Project

The Idaho Meth Project is a non-profit organization that implements a range of advertising and community action programs to reduce methamphetamine use in the state. Launched in January 2008, the Idaho Meth Project leverages a proven model that combines extensive research with a hard-hitting, integrated media campaign. The Idaho Meth Project is affiliated with the Meth Project, a national non-profit organization headquartered in Palo Alto, California, aimed at significantly reducing first-time Meth
